

DRIVE-E

VOLVO V40
MADE BY SWEDEN

DRIVE-E

Drive-E powertrains play a central role in the new generation of Volvo cars. In fact, they redefine how luxury cars will be powered in the 21st century. Paired with the efficient 8 speed transmission with Geartronic, you will get more power and superb driveability without sacrificing fuel efficiency or the environment.

Designed For Your Journey

Stand out from the crowd. Every detail in the V40 is optimally tuned for sporty, well-balanced handling whilst offering a high level of comfort and world-class safety, making each drive more fun and exciting. The V40 is also equipped with the intelligent Drive-E powertrain which gives you amazing power and saves both fuel and the environment.

Adaptive Digital Display

Choose between three graphic themes using Adaptive Digital Display; Elegance, Eco or Performance. The active TFT crystal display takes the interaction between car and driver to a new dimension.

PARK ASSIST FRONT AND REAR WITH PARK ASSIST PILOT (PAP)

Parallel parking will become a lot easier thanks to Volvo's Park Assist Pilot, which parks the V40 for you. Just activate the Pilot when the car is next to a space. The car will confirm if it's big enough to steer itself in for you.

CITY SAFETY WITH FRONT COLLISION WARNING & FULL AUTO BRAKE

Drive with peace of mind. This innovative safety technology is designed to avoid rear-end collisions at speeds of up to 50 km/h. The IntelliSafe system automatically brakes when it senses a potential collision.

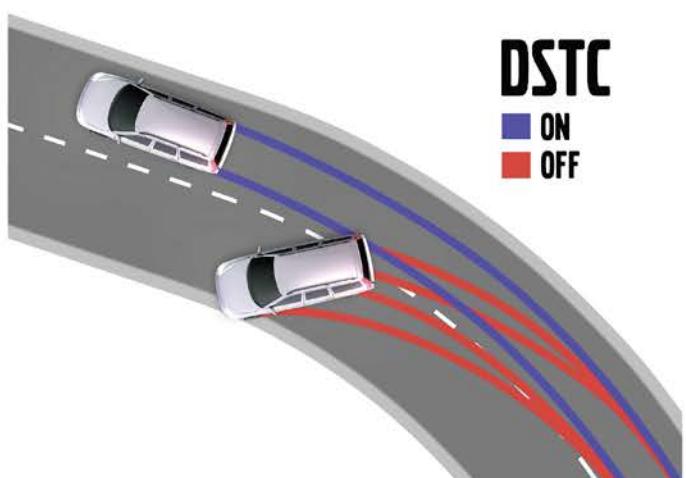

CROSS TRAFFIC ALERT

The new Cross Traffic Alert radar detector watches out for vehicles you can't see when reversing out of tight parking spaces. It scans and alerts the driver whenever there is a vehicle crossing its path.

BLIND SPOT INFORMATION SYSTEM (BLIS)

New and improved Blind Spot Information System (BLIS) can now monitor and alert the driver on rapid approaching vehicles up to 70 meters behind the car by using radar technology.

DSTC
■ ON
■ OFF

DYNAMIC STABILITY AND TRACTION CONTROL (DSTC)

Improves traction and performance on corners and winding roads. It prevents the car from understeering and enables the car to steer into corners dynamically and safely.

VOLVO V40 T5 FEATURES

Exterior Design

- 17" Segomo alloy wheels with 225/45R17 tyres
- Capless refueling system
- Tempa spare wheel

Interior Design

- Leather upholstery
- Forward folding front passenger seat
- Versatile split folding rear seat (60/40)
- Shimmer Graphite Aluminium inlay
- Leather steering wheel with Silk Metal inlay
- Gearshift paddles
- Leather gear lever knob with illumination
- Interior theatre lighting package
- Digital instrument cluster with 8" Adaptive Digital Display

Audio & Entertainment System

- High Performance audio system – 8 speakers with a 4 x 45W amplifier and a 7" integrated colour screen
- DVD player with MP3 encoder
- Voice control
- Audio controls on steering wheel
- Bluetooth® handsfree system with audio streaming
- Auxiliary audio input, USB and iPod® connectors

Safety System

Active / Preventive Safety

- Cruise Control
- Blind Spot Information System (BLIS) with Cross Traffic Alert (CTA)
- City Safety
- Dynamic Stability and Traction Control (DSTC) with Advanced Stability Control, Corner Traction Control by Torque Vectoring and Sport Mode

- Active Bending Lights (ABL)
- Headlight washer
- Intelligent Driver Information System (IDIS)
- Anti-lock Brake System (ABS)
- Electronic Brake Distribution (EBD)
- Emergency Brake Assist (EBA)
- Ready Alert Brake (RAB)
- Fading Brake Support (FBS)
- Adaptive Brake Light (ABL)
- LED Daytime Running Lights
- Rear fog lights
- Rain sensor with tunnel detection and automatic headlight control
- Park Assist front and rear with Park Assist Pilot (PAP)

Passive / Protection Safety

- Dual stage driver and front passenger airbags
- Knee airbags on driver's side
- Passenger airbag cut-off switch
- Side Impact Protection System (SIPS)
- Front, dual-chamber SIPS airbags
- Inflatable Curtains (IC)
- Whiplash Protection System (WHIPS)
- Front and rear (outer position seats) seatbelt pre-tensioners
- Rear seatbelt detection
- Pre-Prepared Restraints (PRS)

Child Safety

- Power child safety lock for rear doors and power windows
- ISOFIX child seat attachments for rear seats

Security System

- Volvo Guard Alarm with interior mass movement and inclination sensor
- Personal Car Communicator (PCC) with keyless entry and drive
- Key Integrated Remote control (KIR) with

central locking

- Electronic immobiliser
- Approach light
- Homesafe light
- Power-retractable door mirrors with puddle lights
- Global opening and closing

Comfort & Convenience

- Electrically adjustable driver and passenger seat (with memory for driver seat, including exterior mirror and steering setting)
- Frameless automatically dimming inner rear-view mirror
- Illuminated vanity mirror for driver and passenger
- Electronic Climate Control (ECC)
- Interior Air Quality System with pre-ventilation at unlocking
- Clean Zone Interior Package (CZIP)
- Flexible load floor with grocery bag holder
- 12V power outlet in the front and rear rows
- Trip Computer
- Outer temperature gauge
- Floor mats
- Cup holders in tunnel console
- Integrated cup holders in rear seat
- Rear armrest
- Power windows for all doors, with auto up/down function and pinch protection
- Digital Owners' Manual

Powertrain & Chassis

- 8 speed automatic transmission with Geartronic
- Electrical Power Assisted Steering (EPAS) with 3 settings
- Brake energy regeneration
- Automatic engine start/stop function

THE VOLVO V40

Engine

T5 Drive-E

No. of cylinder / Valves per cylinder	4 / 4
Capacity (cc)	1969
Maximum power (hp @ rpm)	245 @ 5500
Maximum torque (Nm @ rpm)	350 @ 1500 - 4800
Transmission	8 speed Automatic with Geartronic and Sport Mode
Maximum speed (km/h)	240
Acceleration, 0-100 km/h (s)	6.3
Fuel consumption - combined cycle (litres/100km)	6.1
CO ₂ emission - combined cycle (g/km)	143

Others

Wheels / Tyres	225/45R17
Service Intervals (km)	20,000
Fuel tank capacity (litres)	62
Kerb weight (kg)	1525
